YUE HUI, HURRY AND RUN, RUN AS FAR AS YOU CAN...
HERE...
WE'LL BACK YOU UP.

I have to find Zero...
Unquestionably..... I must hurry to find him...If not...

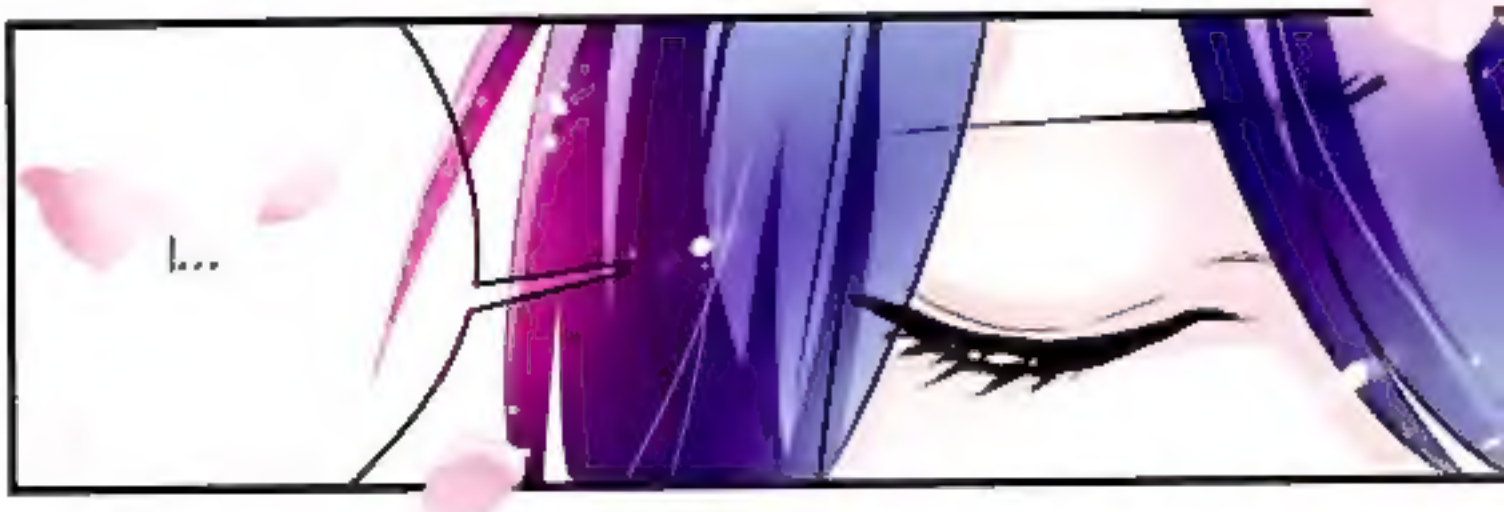
EVERYTHING IS TOO LATE NOW.
THE ECLIPSE HAS BEGUN.

ANY FIGHTING IS USELESS.
WHEN THE MOON DISAPPEARS,
HA BRAT'S LIFE
WILL ALSO DISAPPEAR.

Zero……
UNCONSCIOUSLY BE WITH ME LIKE THIS…

DO YOU FEEL HAPPY?

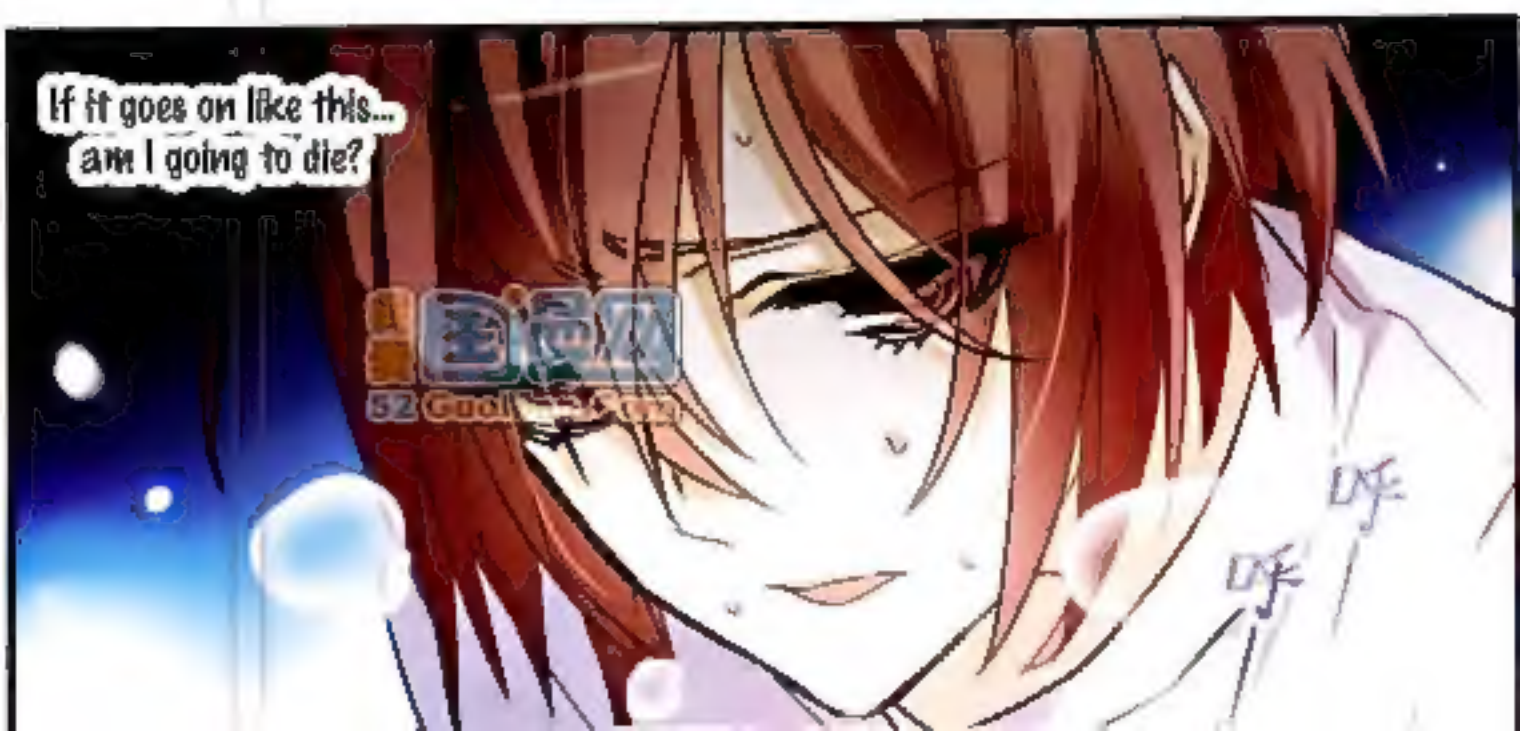
MING XUE...



I...

AM NOT HAPPY.

It comes again...
It hurts...
My chest hurts... hurts like someone is tearing it...
呼
呼
Certainly... It's because of the curse...



If it goes on like this... am I going to die?

Zero...
But...
Bai Tao...
Li Shui...
and everyone at home...
They've stuck to the thing that is more painful than death...
No one set them free...
No one can't escape...

Then how could I give up ?
I can't die here...
Have some time left... still have last hope.
There must be a way... to save Zero...
?
THIS SOUND...

IS WATER RUNNING?
HOW CAN THE SOUND OF WATER RUNNING IS SO LOUD?
? !
THIS IS...

WATERFALL!
Huh?
Someone is under the tree?
Zero!
